

## FUNDAYS 2019 Woodhouse Park: Information for Parents/Guardians

Fundays is an extremely busy event and this may appear daunting when you first arrive on site. The following information will aid your smooth arrival.

Woodhouse Park is 36 acres in size and is made up of a mix of woodland and fields, so it can be difficult to describe where a group is based. The site will be extremely busy on arrival and may appear chaotic as approximately 1,500 people arrive for a day of activities.

### On arrival

Please follow the directions map attached when travelling to Woodhouse Park.

On arrival you will be directed by a member of the traffic management team to the drop-off parking zone. Please state clearly that you are dropping off and ensure that you have the relevant 'drop-off parking permit' (attached) displayed in the window of your car. This needs to be completed in full. Please note that the speed limit is 5mph within Woodhouse Park.

### Dropping off

When you reach the drop-off parking zone, there is a strict limit of 15 minutes waiting in this area. Therefore, you must ensure that you do not leave your vehicle longer than this period. Once parked you should walk with your young person to the meeting point. This is clearly signposted and is adjacent to the car park, in front of reception. Please leave your young person with their group leader or nominated contact.

Please be courteous as you leave the site. There will be many young people walking around as they prepare for the day. The exit route is not the same as the entrance, so please follow the signs displayed.

Please note: In certain circumstances where vehicles are causing an obstruction or are incorrectly parked, Woodhouse Park reserves the right to tow such vehicles out of the way without the owner's express permission.

### What you need prior to arrival

Before you arrive with at Woodhouse Park please ensure you have the following:

1. Group Leader's name and mobile number
2. Group booking reference (available from your group's leader)
3. Details of any meeting point

### During the day

We have outlets selling snacks, drinks and sweets - these are situated on-site. All activities are provided for young people to participate in. Unfortunately we are unable to allow adults to participate in the activities as they are designed for young people only unless for safety reasons.

### Safeguarding

It is the policy of The Scout Association to safeguard the welfare of all members by protecting them from neglect and from physical, sexual and emotional harm. The Scouts Safeguarding Team created a Fundays Safeguarding Guide which will be available for download on our website closer to the event. If you have any questions, please contact us on [info.request@fundays.org.uk](mailto:info.request@fundays.org.uk).

### Picking up after the event

If you are picking up after the event, please follow the same procedures as 'dropping off'. Ensure you know where to meet your young person and that you have a contact mobile number for your young person's group leader.

For further information prior to the event visit our website - [www.scouts.org.uk/fundays](http://www.scouts.org.uk/fundays), like us on Facebook [www.facebook.com/FundaysUK](http://www.facebook.com/FundaysUK) or follow us on Twitter @FundaysUK

**We look forward to seeing you at Fundays!**
