

FUNDAYS 2019 Gilwell Park: Information for Coach Arrivals

Fundays is an extremely busy event and there is limited parking space and room to manoeuvre for large vehicles. It is extremely important that coach arrivals follow the instructions below. Please contact us should you have any questions.

At least one week before the event...

Please contact Gilwell Park on info.request@fundays.org.uk or 0208 4985 305 and advise us of your expected arrival time – this helps us plan our space requirements and ensures that your arrival is as smooth as possible.

Routes

Gilwell Park is situated approximately 5 minutes from Chingford and 10 minutes from the M25 J26. However, there is a specific route that **MUST** be followed as access to Gilwell Park will **NOT** be possible from Daws Hill. The revised route is shown on the map below/attached.

DO NOT FOLLOW YOUR SAT NAV

(Ultra) Low Emission Zone

From January 3 2012, Transport for London have announced that some minibuses, large vans and other vehicles will now be impacted by the Low Emissions Zone (LEZ). As Gilwell Park is on the boundary of the zone, it is likely some visitors will enter the zone; therefore all drivers should review information at <http://www.tfl.gov.uk/modes/driving/low-emission-zone?cid=pp024>

From 8 April 2019, Transport for London have announced that many vehicles will be impacted by the Ultra Low Emissions Zone (ULEZ). We suggest you review the route before your journey. All drivers should review <https://tfl.gov.uk/modes/driving/ultra-low-emission-zone> for further details.

On arrival...

On arrival you will be given specific instructions by the traffic management team. Please note the speed limit is 5mph. The traffic management team will arrange for you to park in a suitable location where it is both safe for you to disembark your passengers, and for their equipment to be unloaded.

Wet weather

If for any reason we are unable to park on the fields, alternative parking arrangements will be made. We fully appreciate that this may cause inconvenience, but it will avoid getting vehicles stuck and causing damage to both our fields and your vehicle. If it is necessary to follow an alternative parking plan, instructions will be issued on the day and your co-operation will be greatly appreciated.

Refreshments

Please note that in 2019, breakfast will not be served from the White House. There are facilities on Camp Square for you to purchase breakfast. **Please note that you must be checked in before moving around on-site - if you require a pass for your coach driver please ask for it on check in or at the Scout Adventures reception.**
