

FUNDAYS 2017 Woodhouse Park: Information for Coach Drivers

Fundays is an extremely busy event and there are limited parking facilities for large vehicles. Therefore it is extremely important that coach arrivals follow the following specific procedures. Please contact us should this be a problem on 01454 612204.

Routes

Woodhouse Park is conveniently located just a couple of minutes' drive from the M5 motorway (Junction 16). Please follow the directions shown on the map attached. Scout Adventures Woodhouse Park is well signposted as you leave the motorway.

Please note: Coaches can only access Woodhouse Park from the A38 onto Fernhill and not via Almondsbury or Tockington.

15 minutes before arrival...

Before you arrive on site, it would help us if you could advise us when you are approximately 15 minutes away. At this point they may be given specific arrival instructions.

[15 minute arrival notice should be given on 07748 485237.](tel:07748485237)

On arrival

On arrival you will be given specific instructions by the Traffic Management Team, please note the speed limit is 5mph. They will arrange for you to park in a suitable location where it is both safe for your passengers to disembark and for their equipment to be unloaded and moved to their location for the day.

Wet weather

If for any reason we are unable to park on the fields, alternative parking arrangements will be made. We fully appreciate that this may cause inconvenience but it will avoid getting vehicles stuck and causing damage to both our fields and your vehicle. If it is necessary to follow an alternative parking plan, instructions will be issued on the day and your co-operation will be greatly appreciated.

Refreshments

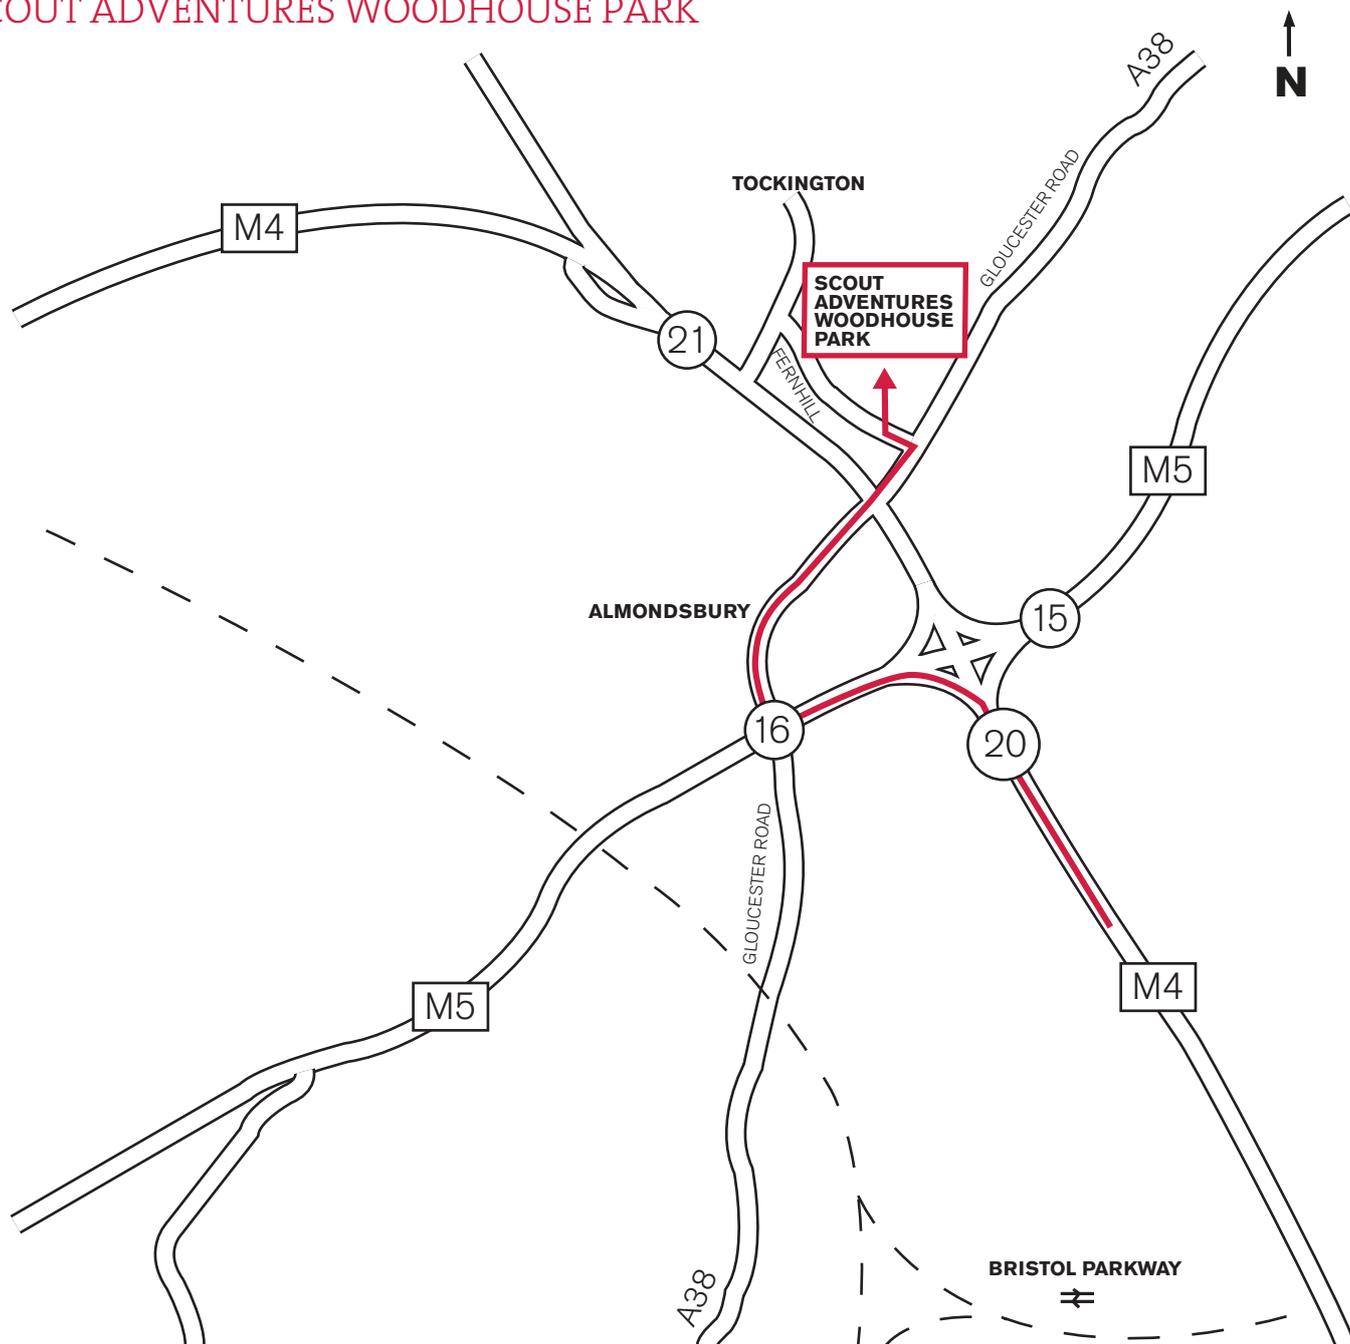

Refreshments will be available on site – details will be given on arrival.
